Lr.No.CMD/CGM-HRD/JS-HR/GM-HR2//DGM-P/PO(P)/A1/D.No.02- /21, Dt: 16-01-2021

Sir,

Sub: Estt – APSPDCL – TPT – Filling up of existing vacancies in the cadre of Assistant Executive Engineers/El. as per regulations (or) Permission to take on deputation from other A.P. energy Utilities – Requested – Reg.

It is to submit that 139 Nos Assistant Executive Engineers/ Electrical posts are vacant against 623 Nos sanctioned in APSPDCL due to superannuation, promotions and bifurcation of APCPDCL. The Assistant Executive Engineers cadre in Discom is at cutting edge and plays vital/crucial role in consumer services, development activities and performance of the Discom. Due to these vacancies, work load is increased on the existing staff causing much difficulty in addressing the grievances and services of consumers in time.

Further, during field visits the public representatives are continuously pursuing for filling up of the vacancies in field to overcome the grievances of the public and mainly agricultural consumers.

The vacancies are part of the already sanctioned strength and not new posts. Hence, there is no additional financial commitment in filling up of the above vacancies through direct recruitment.

In this connection, it is requested to kindly accord permission to APSPDCL for filling up of the existing vacancies in the cadre of Assistant Executive Engineer / Electrical as per regulations (or) allot the willing employees from other A.P. energy Utilities to APSPDCL to enable to provide better services to all the consumers in urban and rural areas.

Yours faithfully

CHAIRMAN & MANAGING DIRECTOR
