

ANDHRA PRADESH POWER GENERATION CORPORATION LIMITED
VIDYUT SOUDHA :: VIJAYAWADA

Memo.No.MD/D(HR&IR)/CGM(Adm)/GM-HR(L&IR)/DNo.15/2026,Dt.10.04.2026

Sub: APGENCO – Legal – Strict compliance with Legal, NGT, Industrial Tribunal and other court matters – Certain Instructions - Issued.

It has been observed with concern that legal matters pertaining to the Hon'ble High Courts, National Green Tribunal (NGT), Industrial Tribunals, and other judicial/quasi-judicial forums are not being handled in a systematic and timely manner. In several instances, requisite information is not being furnished promptly by the concerned officers. Further, there is lack of proper coordination with the Head Quarters Legal Wing, both in seeking guidance and in updating the status of cases at the time of listing before the respective forums. These lapses have resulted in avoidable delays and adverse financial, legal, and policy implications for the Corporation.

2) In order to ensure effective coordination, proper monitoring, and timely handling of all legal matters, the Superintending Engineer (A&MM)/Concerned Officer of the respective Generating Station, along with the Functional Heads at Head Quarters, shall make responsible for strict compliance with the following instructions:

- Ensure timely coordination with all concerned departments for furnishing necessary information for filing counters and meeting other legal requirements before High Courts, NGT, Tribunals, and other judicial or quasi-judicial authorities.
- Maintain close liaison with APGENCO Standing Counsel, Advocates, and Senior Counsels in all legal matters, in consultation with the Legal Wing at Head Quarters.
- Ensure prompt submission of para-wise remarks, relevant records, and all required information to the Standing Legal Advisor (SLA) and other concerned authorities at HQ.
- Closely monitor the listing and progress of each case, and ensure that all required documents such as counters, affidavits, appeals, and compliance reports are filed in a timely manner and are readily available on the date of hearing before the respective judicial or quasi-judicial authorities by the concerned officers.
- Keep the undersigned and the concerned Chief Engineer informed of all significant developments, hearings, and orders issued from time to time.
- Maintain an updated register/record of all pending and disposed legal cases pertaining to the respective department/Power Station.

P.T.O

:: 02 ::

3) All the Chief Engineers/Functional Heads are hereby directed to communicate these instructions to all officers such as SE (Administration)/General Manager/Deputy Secretary or the concerned officers under their control and ensure strict implementation without any exception.
