It is observed that the man megawatt ratio is on higher side at Dr.NTTPS resulting higher O&M cost against norms fixed by Hon'ble APERC. As a result there is an increase in the cost of generation. To compete with other Thermal Generating Stations there is a need for reduction in cost of Generation. Further the Stage-IV of RTPP has come into operation and needs manpower for its operations. In the memo cited 7 Executive Engineer posts have been diverted to RTPP Stage-IV for the above purpose from O&M/Dr.NTTPS

2. After careful consideration of the above, 11 Executive Engineers/Elect/Mechl, appended to this order working under the control of Chief Engineer/O&M/Dr.NTTPS are transferred and posted to the control of Chief Engineer/O&M/RTPP for Stage-IV operations against the posts diverted in the memo cited and also against existing vacancies of O&M/RTPP.

3. They are requested to assume charge accordingly after obtaining proper relief from the present place of working. No leave shall be entertained as 600 MW has to be made operational immediately in view of power demand. They are entitled for TTA & Joining time as per rules in vogue.

4. The Chief Engineer/O&M/Dr.NTTPS is requested to relieve the 11 Executive Engineers/Elect/Mechl positively by 06.08.2018 by making local arrangements and report compliance.
